

Sample Daily Recordkeeping Log For Rule 310

Maricopa County's Rule 310 (Fugitive Dust Sources) requires that you keep a daily log recording the actual implementation of control measures identified in your Dust Control Plan. In the table below, record daily inspection results for all control measures applied in the five categories listed. Be sure to include water usage (i.e., amount applied and times applied). Answer "yes" or "no" to the questions regarding project information sign and the permit. If you write "no", for either of these questions, please explain.
